

Mandate of Standing

Reference: DK-568148-PJB-MOS

Authored the 15th day of June 2021

Revised the 12th day of December 2022

For the mandate, a living testimony of Standing and Status, in the form of an affidavit, stands un-rebutted and truth in law.

For primary reference to the **Interpretation Policy: DK-568148-PJB-IP* is beholden. For reference to scripture is supportive.

For i: *Philip John, House Butterworth* am herein and henceforth *Philip John* and also known as the authorised derivatives*

For i, *Philip John*, make the mandate with my personal knowledge and capacity. For unless otherwise stated, the following facts and matters are accurate to the best of My knowledge, for i am of the age of consent (majority), of sound mind and body and without mental health issues.

- For it is testified: i, the living soul man, *Philip John*, the creation of my mother Margaret Joyce and father Frank and all that came before, as of the first breath of life, is a successor and beneficiary of the natural rights, laws and privileges of all living beings, as testified in scripture. [*Genesis 2:7**, *Genesis 1:26-30**]
- For i am a layman acting in a private capacity.
- For it is testified: i am not property.
- For it is testified: property cannot be administrated without right.
- For it is testified: no obligation exists of which jurisdiction over i: *Philip John* can rely on.
- For it is testified: i will carry out due diligence and act with duty of care in all instances.
- For i testify and claim right that my body & genetic material are my property.
- For i testify and claim right that the products of my labours are property, unless lawfully or consensually or contractually traded.

1. Whereas: *State Agents** have been using and abusing the given christian-names and family name without My prior knowledge and consent and kidnapping assets on paper, known as 'the unlawful conversion'. Such criminal action converts the nature of a living soul to an asset of corporate franchise(s) as well as the jurisdiction within which they act, commerce.
2. For it is testified: henceforth i do not consent to the derivation and use of the given-names and family name and estate or anything that falsely re-presents by infringement of natural copyright.
3. For it is my will and requirement that all respondents and *State Agents** take immediate action to ensure that their corporation cease and desist from this practice immediately.

4. For i, *Philip John*, by means of this mandate, claim sole right of use and publicly convey all un-authorised derivatives* of the given-names and family name to the jurisdiction of the common laws, rights and privileges of the original successors and beneficiaries, along with all assumed and presumed trade names.
5. For to be aware: i, *Philip John*, am reconveyed as a naturalised living man to be unrestricted on the dry soil and land holding the legitimate natural rights and privileges as a successor and beneficiary of the original men and women, as foretold by scripture. [*Genesis 1:26**]
6. For i, *Philip John*, do not consent nor agree to be the settlor for any 'legal person' or 'juristic person' or 'vessel' in which *The State** has a security interest. For upon reaching a prescribed age has falsely become the Master (Mr/Mrs/Ms et el) of the "vessel" that has "gone to sea", under Admiralty Maritime jurisdiction, the "*Law of the Sea*" and by virtue of the *Cestui Que Vie Act 1666* 'persons' are 'lost at sea' and can be salvaged. [*Galatians 2:6**].
7. For i, *Philip John*, have been mis-characterised and assumed and presumed to be lost at sea when, in truth, i am a flesh and blood living being, domiciled and standing on the dry soil and land of Lancashire, England in original jurisdiction [without the UNITED KINGDOM], without grant to or subjugation under any corporate/commercial venue of jurisdiction.
8. For i, *Philip John*, do not consent to being salvaged under the '*law of the sea*' or legislation of persons and any assumed and presumed jurisdiction or dominion.
9. For i, *Philip John*, do not hold allegiance or fealty to any legal society, for these musings are babble to the layman. [*Genesis 11:7**]
10. For to be aware: i, *Philip John*, as of the date of authorship of this mandate is hereby retired from all assumed and presumed public roles and responsibilities within *The State** agencies and their affiliations having disembarked the citizen-ship. For such assumed and presumed roles were imposed without equal consideration and full disclosure and therefore without any legitimate agreement.
11. For i, *Philip John*, claim right that all past, current and future information, including but not restricted to financial, medical, personal, internet, travel, et. al, are private property* under common copyright*. For i require such information will not be viewed or accessed or distributed unless accompanied by an authorising autograph for each living being or person or organisation or entity or artificial intelligence, on each and every occasion.

For i require such will not be viewed or accessed or distributed unless accompanied by an authorising autograph for each living being or person or organisation or entity or artificial intelligence, on each and every occasion.
13. For i, *Philip John*, claim: *Laura Jayne, House of Butterworth* and *Joseph Frank, House of Butterworth* when and while under the age of consent (majority) or of child standing or status, are identified as property for the purpose of protection against trespass without right.
14. For i, *Philip John*, claim right to dwellings i inhabit or have lawfully procured, within the meets and bounds, are property, as is property attached or contained within.
15. For i, *Philip John*, claim right to all lawfully procured private conveyance(s) are property, as is all property attached or contained within.

16. For i hereby give notice that any and all assumed, presumed or implied right of access to My property has been removed, including but not limited to, any private conveyance.
17. For i, *Philip John*, reserve the right, whilst travelling in a private capacity to continue such private activities without let or hinderance [*Ex parte Lewis (1888) 21 Q.B.D. 191 Wills J**] accepting all liabilities for loss or damage to property and injury or death to other living beings
18. For i, *Philip John*, require to be free of being illegally and/or unlawfully hindered, threatened, harmed, robbed, detained, compelled to perform, assaulted, kidnapped, arrested, et al by *State Agents** where i have neither been proven guilty of having brought about injury or death to another man or woman or stealing or damaging property or conspiring to commit such crimes where no claim by a victim or no property stolen or damaged can be identified.
19. For i, *Philip John*, require and claim right to be unrestricted to travel throughout this earthly realm as i see fit, without let or hinderance and without exception, as prescribed in case law and supported by scripture, [*Genesis 1:26**]
20. For i, *Philip John*, require to be free from demand to be in possession of an organisations or entities issued identification documentation such as driving licence, passport, registrations, et al, digital or otherwise. All of which are fraudulent due to copyright infringement, unlawful conversion, misrepresentation, as prescribed and supported by scripture. [*Job 32:21**]
21. For i, *Philip John*, testify any *State Agent** that demands fraudulent identification, digital or otherwise, be produced or threatens private, none commercial, travel without such identification is prohibited or attempts to create adhesion contracts by verbal contract and gaining jurisdiction or dominion, will be investigated for attempting personage, fraudulent joinder and inland piracy.
22. For it is our intent to travel in possession of lawful documented witness testimony as proof of existence as a private, living being in order to allay fears in the minds of *State Agents** of organisational entity departments who are apt to disrupt the private, peaceful lives of law-abiding people.
23. For it is required: the recipient/respondent or *State Agents** take affirmative action to ensure that the given appellation *Philip John*, *House of Butterworth* and all authorised derivatives*, be immediately placed on all 'do not detain' list applicable nationally and internationally to ensure to not to be hindered, threatened, harmed, robbed, detained, assaulted, compelled to perform, kidnapped and/or arrested, is lawfully respected and adhered to by all corporate governments and *State Agents** worldwide.

25. For i, *Philip John*, am not willing to commit bond fraud or false personation be it legal or lawful, constructive or actual, by being a third-party interloper or by wittingly using the birth certificate, legal name, legal date of birth or legal address that i did not create nor agree to nor could have created or agreed to in the first instance.
26. For i, *Philip John*, as of the date of authorship of this mandate, hereby rescind and repeal all powers of attorney in fact or assumed or presumed or otherwise 'signed by' or otherwise implied in law or otherwise, with or without consent or knowledge as pertains to all property, real or personal or corporal or in-corporal.

32. For i do not recognise and will not be held in contempt of any law, legislation, statutes, acts, ordinances, policy, codes, bylaws, et al that cannot show a named victim or legible loss. Nor can i be held liable and in contempt of any law, legislation, statutes, acts, ordinances, policy, codes, bylaws, et al that cannot show property belonging to a man or woman has been stolen or damaged or no victim or no property stolen or damaged can be found or no defendant or prosecutor can be logically taken into consideration.
